MARLON FALCON HERNANDEZ
SPAIN   42 YEARS OLD

Fullstack React / Odoo Developer. I was born in Camagüey, Cuba, in 1980, but I currently live in Valencia, **Spain**. I have Spanish and Cuban Citizenships. I have experience in more than 3000 apps for Odoo and more than 250 projects in different countries such as Chile, Mexico, Panama, Argentina, Spain, Paraguay, Dominican Republic, USA and others. Demo of some apps:
https://www.odoo.com/apps/modules/browse?search=falcon

I also have experience in project management, development and functional management as well as experience in management and development of Soft Vertical such as Construction, Buses, Hospitals, Restaurants, Real Estate. Furthermore, I have experience in the development of Odoo Localizations in Argentina, Panamá, Paraguay and Chile. I have more than 28 thousand followers on **YouTube**, it is a benchmark in teaching **Odoo, Docker, AutoCAD, Salesforce** and **SAP R3**.
